

Integrated Wireless and WiFi Solutions for Campuses

ESSENTIAL TIPS FOR DESIGNING HIGH- PERFORMANCE CAMPUS WIFI

WE DELIVER CAMPUS-WIDE WIFI, STUDENT HOSTEL CONNECTIVITY, CCTV SURVEILLANCE NETWORKS, AND SECURE WLAN SOLUTIONS FOR MODERN UNIVERSITY ENVIRONMENTS.

Highspeed Internet connectivity is paramount for students who constantly demand high capacity broadband connectivity. We offer integrated wireless and WiFi networks to meet the growing demand for universities and colleges.

WHY A RELIABLE INTEGRATED CAMPUS NETWORK IS CRITICAL?

HARD FACTS

High-speed wireless Internet enhances every single level of education in today's education sector. New broadband-enabled educational tools are essential to allow remote collaboration among fellow students on projects, video conferences with teachers, and real-time video exploration for remote classes to be conducted effectively.

- **VIDEO COMMUNICATION PLATFORMS** - Allow busy parents to easily confer with their students' teachers conveniently and efficiently from any location.
- **FAST INTERNET SPEED** - Allow students to have online study groups and work on school projects virtually without technical interruptions.
- **ENHANCE EXTRA-CURRICULAR ACTIVITIES** - For every dynamic and interactive Internet application supporting student creativity.
- **REMOTE EDUCATION** - Students in remote locations can have access to education specialists through seamless connectivity.
- **WIRELESS SURVEILLANCE** – Enhances campus security with smart CCTV cameras connected to campus broadband wireless network in real time.

Aglotel brings 30 years of experience in designing high-capacity Wi-Fi networks for universities and campuses. We specialize in providing reliable, integrated broadband infrastructure solutions tailored to educational environments. Our expertise ensures seamless connectivity for students and faculty.
